

CABANERO™

ROARING, ROWDY
& ROBUST WINES

Until now, spicy food lovers didn't have a wine to enjoy with their favorite hot foods. If anything, they were told to choose a sweeter white wine intended to cool the heat. Those who crave flavorful spicy sensations, however, know that a "hurts so good" endorphin release quickly follows and leaves them wanting more.

Cabanero Roaring, Rowdy & Robust Red is for spicy food lovers who desire an amplified, tongue-singeing sensation. After tasting a variety of peppers, our winemaker determined that Habanero was the perfect pepper to spice up a full-bodied red. Infused with natural habanero flavors, Cabanero paired with your favorite spicy foods will have you shouting "¡MUY CALIENTE!"

TASTING NOTES:

From the aroma to the finish, this Roaring, Rowdy & Robust Red offers ripe currant and alder smoke flavors, supported by alluring and intense habanero notes.
